COMPANY PROFILE

Richland Golf Cart Parts & Accessories was founded in 1998 for manufacturing all types of golf cart parts and accessories including LIGHTS, WINDSHIELDS, and SEAT KITS.

We are the direct supplier of E-Z-GO, YAMAHA and Club Car, and also specialize in customizing and delivering cart parts and accessories that meet the individual needs of each customer.

Our goal as a company is to provide quality products with best price in the market. We strive to support the environment, community, our customers and our employees while creating a formidable reputation.

OUR ADVANTAGE

01 BEST PRICE AS ALWAYS

Self-owned factories and warehouses enable us to provide various first-class products with the best price you can never imagine.

02 PROFESSIONALISM

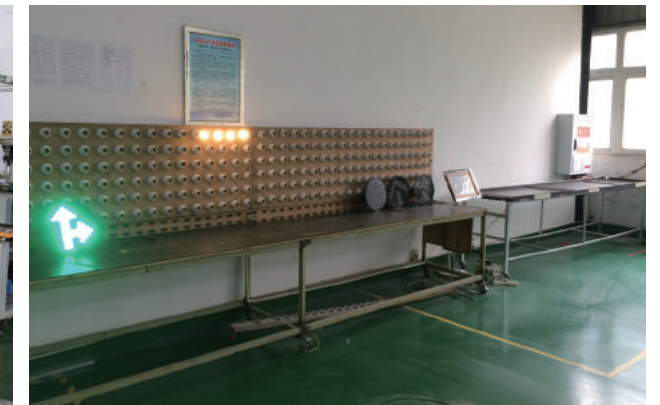

Rich experience in golf cart parts & accessories business, partnered with OEMs (Yamaha, E-Z-Go and Club Car) to deliver high-quality products.

03 CUSTOMIZATION

From wheels to seats, our innovation team will help to customize your carts to perfectly meet specific needs.

04 RELIABILITY

Excellent after-sales service is always our promise. We provide 2-year quality warranty as we are so confident in quality control.
